

Python Assignment - 2

School of Engineering & Technology

Department: SOET	Session: 2025-26
Program: MCA (AI & ML)	Semester: 1
Course Code: ETCCPP171	College Rollno: 2501940002
Course Name: Programming for Problem Solving Using Python	
Submitted by: Ram Kumar Singh	Faculty: Ms. Neha Kaushik

GitHub Link : https://github.com/RamOkr0singh/Contact_Book_Management_System_0002.git

Assignment: Contact Book Management System
